Other Ingredients: Calcium carbonate, vegetable stearic acid, microcrystalline cellulose, vegetable magnesium stearate, croscarmellose sodium, aqueous film coating (purified water, hydroxypropyl methylcellulose, and vegetable glycerin), silicon dioxide, natural vanilla flavor, water-soluble powders and partially leaf powder.

DIETARY SUPPLEMENT 60 Tablets

LAB TESTED

LABEL & GRAPHIC DESIGN

We help your brand stand out through personalized and charming creations. Our in-house art department, is ready to craft labels tailored to your brand.

Furthermore, our printing department can seamlessly handle the production of your custom labels. Don't let the details stop you, we can take care of your new brand name or designs.

CONTRACT MANUFACTURER

If you can't find the product you need in our database, Toffee Up offers tailored solutions. We customize products to your specifications, whether utilizing your existing formulas or assisting in the creation of personalized formula crafted to your needs. Our Quality Control team ensures meticulously balanced formulation so that every product meets rigorous standards.

CO PACKING

Simplify your production process with our co-packing services. From bottling to labeling your raw materials or capsules, we ensure efficiency and flexibility, optimizing your supply chain for a seamless experience.

WAREHOUSING & FULLFILMENT

Our storage and shipping solutions efficiently meet customer expectations with precision.

QUALITY

TOFFEE UP CORP.

At Toffee Up Corp., our unwavering commitment to excellence ensures that every stage of our manufacturing processes upholds the highest standards of safety, quality, and satisfaction.

QUALITY IN FORMULATIONS

As a reputable nutraceutical manufacturer, our formulations represent a meticulous blend of science and innovation. Crafted with precision and informed by cutting-edge research, each product contains top-quality ingredients for unparalleled efficacy and reliability.

QUALITY INGREDIENTS

From the meticulous sourcing of premium ingredients from qualified vendors worldwide, to the implementation of rigorous testing protocols, we guarantee the integrity of our products through meticulous attention to detail.

QUALITY IN MANUFACTURING

Quality is fundamental in our manufacturing processes, where precision and attention to detail hold utmost importance. Our NSF GMP certified facilities, equipped with cutting-edge technology, staffed by skilled experts, adhere strictly to quality control measures at every step of production. We subject every batch to rigorous testing and analysis, to ensure that each of our products are a symbol of purity, potency and efficacy.
